It's the summer holidays – the weather's great, and all the kids are having fun outside. So where's Greg Heffley? Inside his house, playing video games with the curtains drawn.

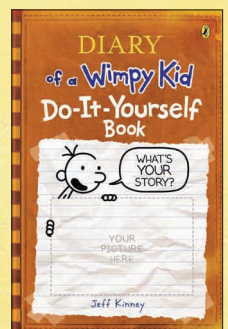

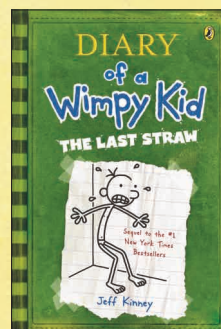

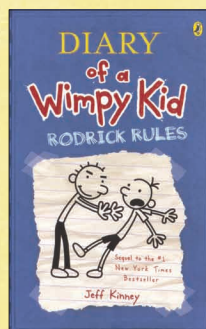

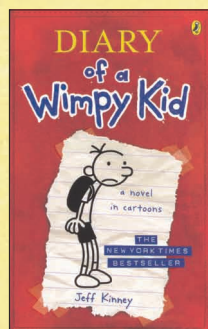

Greg, a self confessed 'indoor person', is living out his ultimate summer fantasy: no responsibilities and no rules. But Greg's mum has a different vision for an ideal summer... one packed with outdoor activities and 'family togetherness'.

Whose vision will win out? Or will a new addition to the Heffley family change everything?
